## **Trust is the Currency of Leadership!**

*Earn genuine trust when you apply coaching to your management & leadership style. Strengthen 20+ critical leadership competencies*

### **Coaching is Applied Leadership**

Leadership is not innate; it can be learned by anyone. Coaching skills develop & strengthen 20+ critical leadership competencies in collaboration, trust development, self awareness, emotional intelligence, results orientation, confronting problem behavior, and motivation & development of others .

### **Who Should Attend?**

Supervisors, managers, senior executives and anyone who wants to make a difference in the way they lead and work with others.

### **Workshop Facilitator**

Angela Neumann, MA, CEC, PCC has 15+ years experience in HR, Leadership Development and Coaching. She works with individuals and teams as coach and coach trainer.

Angela is a certified executive coach with an MA in Leadership & Training from Royal Roads University where she has also worked as associate faculty member for the MBA program.

***“When you know how to coach, you know how to lead”***
